Dear Friends,

Manna House is a soup kitchen that has been feeding the hungry in our community for the past 35 years. This project involves volunteers from 25 different congregations, many individuals and civic groups, as well. We serve a free meal each week-day to anyone who enters.

We employ a part-time kitchen supervisor and a part-time cleaning person. Other costs involve garbage removal, cleaning supplies and paper goods. Manna House does not receive any local, county, state, or federal funding. Manna House exists entirely on the “spontaneous” giving of local individuals, congregations, institutions, and businesses. Only through these donations is our program able to function successfully in Sussex County.

We are so thankful for your generous donation of \$105.00 cash deposited 2/27/23 for us to use to help feed our community.

With great appreciation,
The Manna House Board of Directors
